

CORPORATE / RESOURCES – LAW GRADUATE / JUNIOR LAWYER

Allion Partners is a boutique legal advisory firm.

We pride ourselves on delivering high quality, commercially focussed advice across many business sectors including energy & resources, agribusiness and real estate.

Our partners have developed strong relationships with our clients and a reputation for providing highly valued, specialised and objective legal opinion and advice.

All of our partners have backgrounds working in major firms and bring an enviable breadth of knowledge and commercial experience both to our clients and the lawyers who work with them.

The Role

In this role you will be involved in advising publicly listed and private Australian and international clients at all stages of their development lifecycle. You will also work very closely with our partners in delivering these services to our clients, which in turn will allow you to accelerate your learning and gain a level of commerciality relatively early in your legal career.

Information on some of our recent deals can be viewed on our website – allionpartners.com

Candidates will ideally have worked in corporate and/or mining law or have had some exposure and want to develop their career further in the area. Minimum requirements/attributes are:

- good academic record
- strong organisation skills
- an ability to learn quickly
- a keen eye for detail

Working at Allion

You can expect to enjoy the working environment at Allion – it's collegiate, friendly, relatively informal and focussed on getting the work done as efficiently as possible. Our boutique model allows us to respond quickly to new ideas and ways of working and our people and clients benefit from this approach. We also genuinely seek a work/life balance by valuing our own and other people's time.

Initial enquiries can be directed to Sue Redmond, People & Operations Manager, (08) 9216 7110 / 0417 178 377.

Please email your application to sredmond@allionpartners.com including a cover letter and your resume and academic results.
