

PROPERTY – JUNIOR LAWYER

Allion Partners is a boutique legal advisory firm.

We pride ourselves on delivering high quality, commercially focussed advice across many business sectors including energy & resources, agribusiness and real estate.

Our partners have developed strong relationships with our clients and a reputation for providing highly valued, specialised and objective legal opinion and advice.

All of our partners have backgrounds working in major firms and bring an enviable breadth of knowledge and commercial experience both to our clients and the lawyers who work with them.

Role

As a junior lawyer you will be involved in working on a wide variety of matters for government departments and instrumentalities, developers, landlords and tenants across the WA market including complex leasing, development and subdivision work, off the plan strata contracts and advice, transaction structuring, contract drafting and specialised advice.

Candidates for this role will ideally have 1- 2 years of PQE experience with matters involving business sales/purchases, due diligence and document negotiation. You will also possess sound drafting skills and excellent research skills underpinned by a very strong attention to detail.

We would encourage candidates with less experience who have the enthusiasm and genuine interest in advancing their career in the property area to also apply.
